

ESPN lines of development

- 1) To increase the communication network among Pediatric Nephrologists in Europe and the collaboration with IPNA
- 2) To increase the scientific interaction of European Scientists in specific fields in order to establish a network of experts open to collaboration at European level (ERA-EDTA)

Prof.
Rosanna Coppo
*Secretary General
of the ESPN*

Prof.
Raymond Vanholder
ERA-EDTA past President

Agreement is signed by Prof. Dr Rosanna Coppo (Secretary General of ESPN) and by Prof. Dr Raymond Vanholder (Past President of ERA-EDTA) from January 1, 2014 to December 31, 2016.

Both societies agree to adhere to the main points following hereafter:

1. ERA-EDTA partial funding for **Pediatric Registry**;
2. **Track (or symposium) on pediatric nephrology at ERA-EDTA Congress**;
3. **Symposium of ERA-EDTA at ESPN Congress**;
4. Collaboration between ESPN and ERA-EDTA **Working Groups** (including inherited diseases, and the care for patients with lifelong diseases, e.g. lupus, but also other chronic glomerulopathies) and publications (including the collaboration with NDT-Educational):

- a. With a **minimum output per year regarding the common activities** between ESPN and ERA-EDTA WGs (1 per year);
- b. Any kind of **guideline**, will have to follow the rules of ERBP or it cannot be published under the ERA-EDTA umbrella;

5. More **visibility of each other's societies** on the respective web-sites;
6. ESPN would try to push, as much as possible, **ERA-EDTA Membership**;
7. ESPN and the **ERA-EDTA YNP** will closely collaborate for common initiatives;
8. **Agreement with ESPN regarding free online access to NDT and CKJ to their members in exchange for new members in ERA-EDTA (10 /year).**

- **What is new and hot in paediatric nephrology? Focused activities of the ESPN working groups” scheduled on Tuesday, June 3 2014 at 10:45.**
- **One symposium dedicated to ESPN WGs at the 51th ERA-EDTA Congress (Amsterdam, May 31-June 3, 2014)**
 - **Dialysis WG** A. Edefonti
 - **Transplantation WG** B. Toenshoff
 - **Immune-mediated kidney diseases WG** L. Peruzzi
 - **Inherited kidney disorders WG** M. Kornad

47TH ANNUAL SCIENTIFIC MEETING

**OF THE EUROPEAN SOCIETY FOR
PAEDIATRIC NEPHROLOGY**

SEPTEMBER 18-20, 2014

ALFÂNDEGA CONGRESS CENTRE - PORTO

[1st ERA-EDTA / ESPN Joint Symposium](#)

September 19th, Arquivo Hall, 14:15-15:45

Chair Persons: **Rosanna COPPO** (Italy)
Markus KETTELER (Germany)

Christer HOLMBERG (Finland)

How to Organize Transitional Clinic (to Adult Nephrology)

Markus KETTELER (Germany)

CKD-MBD in Children/Adults

Rosanna COPPO (Italy)

Starting Early; Life-Time Risks of Health and The Potential Benefits of Early Prevention

Peter HOYER (Germany)

Clinical Trials on CKD at Pediatric Age; Barriers and Solutions

ERA-EDTA Scientific Working Groups

ERA-EDTA Endorsed Working Groups

52nd ERA-EDTA Congress

May 28-31, 2015

London, UK
