Interactive e-Poster & printing service

Dear poster author,

Your action to prepare and submit your poster is required.

Below you will find instructions for using the new poster service. Every author should submit their poster online before the Congress.

ERA-EDTA will continue to improve the e-Poster experience with **audio summaries**, **online dialogues** and **better referencing**. Authors and delegates can actively engage in debates during and after the Congress, all within the [European Nephrology Portal \(ENP\)](#).

As well as being an e-Poster, all posters will still be presented on panels as before. You can print your poster/s free of charge and pick it up on-site. Or you can bring your own printed poster.

Instructions
