

ERA-EDTA / ISN PARTNERSHIP ANNOUNCEMENT

Starting from July 31st 2010 and till July 31st 2011 ERA-EDTA (European Renal Association – European Dialysis and Transplant Association) and ISN (International Society of Nephrology) intend to develop a partnership to express their mutual commitment to the advancement of nephrology in the developing countries, and more particularly in Eastern and Central Europe, Northern Africa and the Middle East.

ERA-EDTA / ISN Fellowship Programme partnership is designed to enable young doctors from Eastern and Central Europe, Northern Africa and the Middle East to train in Nephrology in a European host centre. That, in order to encourage and to report advances in the field of clinical nephrology, dialysis, renal transplantation and related subjects also in these disadvantaged areas.

After the completion of the training and the return to their home countries, the fellows are asked to submit an “End of Training Form” to ISN and to ERA-EDTA.

The salary will be set in line with the one of the others ISN Fellowships hosted in the same region.

This partnership will award a maximum of three long term fellowships (each one of 12 months).

Applications must be submitted to the ISN Fellowship Programme by using its standard documentation.

Each year there are two deadlines to submit the applications: 31st of January and 31st of July.
All forms to fill in to apply are available at ISN website: <http://www.isn-online.org/isn/index.html> .

Please contact the ISN Global Operations Center for any questions you should have at: info@isn-online.org .
