

European Uremic Toxin WG of
the ESAO, endorsed ERA-EDTA

EUTox CME course

CKD and vascular remodeling: current status

in collaboration with ERA-EDTA

Saturday 20 October 2012, 10:00 – 16:00

Location: Charité – Universitätsmedizin Berlin
Address: Charité, CCM, Charité-Hochhaus, Luisenstraße 64/65, 10117 Berlin
Local organizer : Joachim Jankowski ; Joachim.Jankowski@charite.de

Course programme:

09:45-10:00 Registration of participants

10:00-10:15 Opening ceremony

Àngel Argilés – Chairman EUTox group

Raymond Vanholder – President of the ERA-EDTA

Cardiovascular and renal links

Chairmen: Joachim Jankowski

10:15-10:45 – R. Vanholder (Belgium) – *Cardiovascular disease in CKD patients.*

10:45-11:15 – H. Mischak (Germany) – *Biomarkers on cardio-vascular disease in CKD patients?*

11:15-11:45 – M. Gollasch (Germany) – *Red blood cell products and vascular complications*

11:45-12:15 – A. Wiecek (Poland) – *Obesity and chronic kidney disease*

12:15-13:15 Coffee/Lunch break

European Uremic Toxin WG of
the ESAO, endorsed ERA-EDTA

Vascular injury in CKD patients

Chairmen: Raymond Vanholder

13:15-13:45 – A. Ortiz (Spain) – *Biomarkers of vascular injury in CKD patients.*

13:45-14:15 – J. Beige (Germany) – *Adiponectin: an example of reverse epidemiology in CKD*

14:15-14:45 – B. Bader (Germany) – *Cardiovascular risk factors - special situation in dialysis patients (reverse epidemiology)*

14:45-15:15 Coffee break

Vascular calcifications: management and pathophysiology

Chairmen: Goce Spasovski

15:15-15:45 – J.M. Chillon (France) – *Vascular calcification management in CKD patients.*

15:45-16:15 – M. Rodriguez (Spain) – *FGF23 and Klotho.*

16:15-16:45 – W. Zidek (Germany) – *Mechanisms of vascular calcification*

16:45-16:50 Closing remarks (Àngel Argilés)

16:55 Distribution of the CME certificates

17:00 Meet the expert session:

- (1) Raymond Vanholder (Belgium)
- (2) Mariano Rodriguez (Spain)
- (3) Andrzej Wiecek (Poland)
- (4) Harald Mischak (Germany)
