

*Russian Dialysis Society*  
*Under the Aegis of ERA-EDTA, ISN GO and KDIGO*

**XII International CME Nephrology Course**  
**and**  
**VIII Conference of Russian Dialysis Society**

**November 20-24 2013**  
**Moscow, Russia**

**Venue:**

November 20-21 «Holiday Inn Sokol'niki», Rusakovskaya 4  
November 22-24 “Central House of Scientists”, Prechistenka 16.

**Hot topics:** pathogenesis and treatment of glomerular, antiphospholipid syndrome, atypical HUS, pediatric nephrology, paraneoplastic nephropathies, amyloidosis, KDIGO Guidelines, epidemiology and risk factors of CKD, MBD-CKD, dyslipidemia, AKI, DOPPS study, modern view on immunosuppression after kidney transplantation

**Faculty:** John Davis (USA), John Feehally (UK), Adeera Levin (Canada), Asghar Rastegar (USA), Ricardo Servera (Spain), Goce Spasovski (Macedonia), Marcello Tonelli (Canada), Pierre Ronco (France), Tushar Vaccharajani (USA)

**Official languages:** English, Russian. Foreign speakers talks will be accompanied by simultaneous translation.

**November 20-22**  
**XII International Nephrology CME Course**

**Wednesday, November 20, Day 1**

**Opening ceremony**

**9:-00 – 9:40 Welcome talks:** Dr A. Andrushev, Russian Dialysis Society President, Prof J. Feehally ISN President, Prof. A. Levin, Secretary General ISN, Prof G. Spasovski, ERA-EDTA CME Committee Chair, Prof N. Tomilina, RDS Executive Committee Chair

**9:40 - Morning session**

9:40 – 10:20 A. Levin (Canada) “Early Kidney Disease & Comorbid Conditions”

10:20 – 10:30 Q&A

10:30- 11:10 M. Tonelli (Canada) “Risk prediction in CKD”

11:10 – 11:20 Q&A

**11:20 – 11:50 Break**

11:50 – 12:20 J. Davis (USA) “KDIGO activities and International cooperation”

12:20 – 12:30 Q&A

12:30 – 13:00 A. Levin (Canada) “Implementation and evaluation of KDIGO Guidelines ”

13:00-13:10 Q&A

13:10 – 13:50 G. Spasovski (Macedonia) “CKD-MBD – modern view on pathogenesis and treatment, KDIGO GL on CKD-MBD”

13:50 – 14:00 Q&A

**14:00 – 15:00 Break**

15:00-15:40 A. Rastegar (USA) “AKI – current classification, KDIGO recommendations on management”

15:40 – 15:50 Q&A

15:50 – 16:30 J. Feehally (UK) KDIGO Glomerulonephritis Guidelines: What has been achieved and what lies ahead?

16:30 – 16:40 Q&A

16:40 – 17:20 M. Tonelli (Canada) “Management of dyslipidemia in CKD and ESRD - new KDIGO guidelines”

17:20 – 17:30 Q&A

**Thursday, November 21, Day 2**

9:00 – 9:40 P. Ronco (France) “Membranous nephropathy: from pathophysiology to clinics”

9:40 – 9:50 Q&A

9:50 – 10:30 J. Feehally (UK) Choosing the right patients with glomerulonephritis to receive immunosuppression

10:30 – 10:40 Q&A

10:40 – 11:20 P. Ronco (France) “Glomerular diseases associated with carcinomas and hematologic malignancies: New insights”

11:20 – 11:30 Q&A

**11:30 – 12:00 Break**

12:00- 12:40 G. Spasovski (Macedonia) “Use of generics in kidney transplantation – pro et contra”

12:40 – 12:50 Q&A

12:50 – 13:30 A. Rastegar (USA) “Volume and electrolyte balance in AKI”

13:30 – 13:40 Q&A

13:40 – 15:00 “Meet-expert” session “Electrolyte disturbances in intensive care unit”

Moderators: A. Rastegar (USA), N. Tomilina (Moscow)

**15:00 – 16:00 Break**

16:00 – 18:30 **ISN GO Workshop**

## **Friday, November 22, Day 3**

### **Plenary session**

9:00 – 9:40 T. Vaccharajani (USA) Emerging field of Interventional Nephrology

9:40 – 9:50 Q&A

9:50 – 10:30 T. Vaccharajani (USA) Ideal vascular access - Is AVF for everyone?

10:30 – 10:40

10:40 – 11:20 J. D. Kopple (USA) “Renal Nutrition: from conservative treatment to begin of dialysis” Q&A

11:20 – 11:30 Q&A

### **11:30 – 12:00 Break**

12:00 – 12:40 R. Servera (Spain) Antiphospholipid syndrome in rheumatology and nephrology, diagnostics, clinical features, treatment recommendations

12:40 – 12:50 Q&A

12:50 – 13:30 R. Servera (Spain) Catastrophic antiphospholipid syndrome – clinical course, registry, treatment options

13:30 – 13:40 Q&A

13:40 – 15:00 **“Meet-expert” session “Antiphospholipid syndrome”** Moderators: R. Cervera (Spain), N. Kozlovskaya (Moscow), E. Zakharova (Moscow)

### **15:00 – 16:00 Break**

## **VIII Conference of Russian Dialysis Society**
