

ANNOUNCEMENT

The 7th Renal Failure Academy 11-13th of June 2009, Timisoara, Romania

The courses of the 7th Renal Failure Academy are addressed to nephrologists from all Central, Eastern and Southeastern European countries. Internationally reputed speakers will cover major topics in clinical nephrology, hypertension, dialysis and transplantation, focusing on evidence-based therapeutic options in acute renal failure and CKD.

The format will also provide interactive sessions and workshops. Participants will receive a CD covering all lectures. Costs related to accommodation, educational materials, meals, airport transfer, and social program will be covered by the organizers. The 7th Renal Failure Academy is an official course of ERA-EDTA and of ISN/COMGAN.

Interested nephrologists should submit their CV as a WORD attachment to an email to Professor Adrian Covic, MD, PhD (acovic@xnet.ro) *and* to Dr. Paul Gusbeth (paulgusbeth@yahoo.com). Deadline is the 1st of May 2009. Please see also the website www.rfa.ro.
