m-anage.com Account Confirmation

New Account created and Confirmation Email sent

Your new m-anage account has been created, and a confirmation email has been sent to your email address: it contains the account activation link. For GDPR compliance, you will need to click on this link to confirm and activate your account.

This link is valid for 24 hours

Please note, if you don’t click on the email confirmation link within 24 hours, you still have 48 hours during which you can still access your account (e.g. buy tickets, etc.) However after 48 hours, your account will be blocked, and you will need to request a new email confirmation link to be sent to you. To do this, please log into your account again, click on Profile and click on SEND VERIFICATION EMAIL. A new email link will be sent to you – please check the SPAM folders and do click on it within 24 hours. Should the link have expired again, you will need to request a new one - simply repeat the above steps.
