INSTRUCTIONS ON HOW TO CREATE YOUR OWN PASSWORD TO ACCESS NDT

First-time users of Oxford Journals

Please follow the instructions below to register for online access:

1 - Click on link: https://academic.oup.com/my-account/register
2 – Select an Option Register from top and this will take you to a registration page.
3 - Fill in the blank fields, and choose your own email address and password.
   Please choose a password below that fulfils the following criteria.
   At least 10 characters
   At least one upper case character
   At least one number does not contain the same character repeated more than 4 times consecutively (e.g. 'paaaaasword')
4 - Once you have registered an account with us you have to attach your subscription.
   You can do this by choosing 'Activate Subscriptions and Trials’ in your account and typing your SUBSCRIBER number (OUP Code) in the blank field and submitting.
   Please do not copy and paste these details and you are required to type them to login securely.
   This step will connect your online account with your account on our records, and give you access to your online journals.
   Once this has been done, kindly be aware that it can take up to 36 hours for your account to become active.

You can also visit following web links for more information:
