

ERA-EDTA NON-FINANCIAL SUPPORT FOR THIRD PARTY INITIATIVES

ERA-EDTA can grant “non-financial” support (e.g. in the form of an official letter signed by the President) to initiatives of third parties (i.e. non ERA-EDTA bodies/committees/working groups), provided that there is a majority favorable Council vote, based on the following minimum requirements and procedure:

1. The project or proposal must be scientifically valuable or educationally significant. It must however deal with renal or related topics;
2. It must be submitted by an ERA-EDTA member (categories A and B);
3. Due visibility must be given to ERA-EDTA if the support is granted;
4. Still, if the support is granted, ERA-EDTA will grant the project visibility in a dedicated area of its web-site and through its media tools;
5. A small committee (President, Secretary-Treasurer, Renal Science Chair/Chair of the Administrative Offices) will be in charge of screening the proposals and submitting the valid ones to Council for the final approval.

Please, fill in the [form](#) in order to receive non-financial support.
