ANNUAL REPORT 2015

Welcome to the 2015 ERA-EDTA Annual Report (www.era-edta.org/page-3-16-0-16-eraedtacouncil.html)

The officers of the European Renal Association – European Dialysis and Transplant Association (ERA-EDTA) (Andrzej Wiecek, President; Jonathan Fox, Secretary-Treasurer; Markus Ketteler, Chairman of the Administrative Offices; Ziad Massy, Chairman of the Registry and Carmine Zoccali, Editor-in-Chief of NDT - “Nephrology Dialysis Transplantation”) together with the entire ERA-EDTA Council are very pleased to present this report on the activities of our Society, essentially regarding the past year (2015).

At the beginning of our cadency the Council had to face the financial consequences of ERA-EDTA’s large spectrum of different activities and cumulative effect of previous commitments. In the last years ERA-EDTA launched many new projects which required substantial amount of money. Some of them had to be restructured. Additionally during last months we also started the reorganization of ERA-EDTA Headquarters.

The ERA-EDTA Council is working hard to give the members the opportunities to learn, teach, perform research and publish their publications. At the same time we aim towards the highest scientific level of our activities.

In 2015 the Council had 4 meetings: Lyon, France (February 27th-March 1st), London, UK (May 27th and May 31st) and Innsbruck, Austria (October 10th-13th). Below you can find reports from particular activities of ERA-EDTA. Behind every one of these there are hardworking members of our Society assisted by our staff and for all these efforts we would like to thank them very much.

Finally, we are delighted to welcome you again to Vienna for the next exciting ERA-EDTA Congress, but would also like to encourage you to participate actively in any of the initiatives mentioned above.

If anything about all the many initiatives mentioned in this report is unclear, more details can be found at our website, www.era-edta.org.

Andrzej Więcek (President)
Jonathan Fox (Secretary-Treasurer)
Markus Ketteler (Chairperson of the Administrative Offices)
